Description

There's a file somewhere with the flag name. Can you find this filename?

Note: The file is in the format `flag_this_is_flag_contents`. Submit this as `flag{this_is_flag_contents}`.

This challenge was designed to test your ability to use the `man` pages to understand how functions work and successfully and efficiently navigate the Linux terminal.

Flag

```
flag{grep_is_super_useful}
```

Solution

```
$ find . -type f -name "flag_*
```

```
